How the Trail was Created

We asked the people of Stoke: 'What do you love about Stoke?' and 'What do you think are the hidden gems around the town?' and they sent us all these suggestions. From these we created the Hidden Gems Trail.

Why not take a walk around the town centre and along London Road to see how many you can find? It's a great opportunity to get out and about for some exercise and to see other people too. You could invite a friend or family member to join and help you to hunt out each hidden gem.

If you would like to know more about the hidden gems featured you can check our website, and if you have some stories of your own why not let us know by emailing info@festivalstoke.co.uk, visiting our social media pages @festivalstoke or phoning on 07759 233419.
